

What all the Library

About us

The Mirza library - Hashim Abdul-Majid Mirza in the Kingdom of Saudi Arabia, a leading vehicle trade in the field of libraries and tools, stationery and office and carrying the banner of development and progress in this area .. It was established in holy Makkah, the capital of the Muslim by more than fifty years ago that in this sense, a leader in the field of libraries, although the beginning was modest or, as the demands of life at that time but look at the future owners were appreciated by all. And have passed their experience in this area through several stages and each stage the success of the trip and a trip organizer and development of a studied approach with the long experience and growing acquired by the library . And despite the fact that the beginning was difficult and uneasy, however, about patience, perseverance and honesty, the secretariat was the intake and appointed after God in the way of success . Were initially import certain items from the Arab countries like Egypt, Lebanon, Syria, Jordan and the neighboring Islamic countries such as India, near Pakistan and Indonesia , There have been enormous and tremendous boom in the Kingdom of Saudi Arabia a great incentive and motivation to keep pace with this development, which witnessed in the country, especially in the field of education, universities and higher institutes. Therefore, the owners moved the library to search for more sources of imported European countries was the first destination and began to import from Germany, France and the Netherlands, as well as some Asian countries such as China, Korea, Japan, Taiwan, Malaysia

Over the days are still library Mirza - Hashim Abdul-Majid Mirza is the name, which go into every home in Saudi Arabia and the Arab and Islamic countries pregnant with fragrant scent of the past and a bright future ahead for this country thanks to the dedication of the sons of King Abdul Aziz, founder of a renaissance of this nation and rode culture and their growth and development and has to carry the banner of several loyal sons who Keep the Secretariat and protected the Covenant and continued the march of welfare and security, philanthropy and standardization campaign banner flying high over the centuries and even now.
